01 About Asset

A cartoon style set of GUI elements, Icons, Buttons, Panels and more that will cover all GUI needs for your game projects with a unique cartoon look.

This package was prepared by using Unity's built in UI System. Just drag and drop prefabs into your canvas to design your own screens. The pack includes animated buttons popup and loot box elements to make game juicy look

Cartoon GUI Pack is a customizable, mobile-friendly game GUI pack contents buttons, title ribbons and panels which are using 9-sliced sprites.

Hexagon level design elements are ready to be used. It was created by using Unity's tile map so you can create your own level maps easily with our special hexagon visuals
